ALUMNI ENGAGEMENT ACTIVITIES

ONLINE ALUMNI MEET

ELECTRICAL ENGINEERING

Department of Electrical Engineering has organized alumni Meet on 22 March 2021 from 11 AM to 01 PM under the chairmanship of Prof. B.T. Deshmukh, Head, Electrical Engineering. Many Alumni and Alumni ambassadors joined the meeting Virtually using MS Team Platform. During the meeting Brief discussion was made on present Industrial Scenario and future requirement, Opportunities present for engineering students. A brief discussion was also made on the change of branch name to Electrical and Computer Engineering.

MECHANICAL & PRODUCTION ENGINEERING

An online meeting of Alumni Ambassadors & Alumni Guardians of Mechanical & Production Engineering Department was held on 9th & 10th March respectively to welcome ambassadors to the Alumni Engagement Cell. The discussion was done on the roles of alumni ambassadors for better collaboration. The online meeting was conducted under the chairmanship of

Dr. M. S. Kadam, Head, Mech. Engg. Department. Alumni ambassadors were very happy and enthusiastic about their involvement in such activities and provided their valuable feedbacks

COMPUTER SCIENCE & ENGINEERING

Department of Computer science & Engineering had organized Alumni online meet on 16th January 2021 at 11:30 am under the chairmanship of Prof. Vijaya B. Musande, Vice Principal & HOD CSE. After welcoming them, she briefed them about Innovation Incubation Research Center (IIRC) and global technology collaborations with the department. They congratulated HOD & the team for reaching a pinnacle in education. They assured to share knowledge and train the students as per industry needs. All alumni were thankful to the college for giving them the opportunity for being the Alumni ambassador of their pass-out batch. They were enthusiastic about their involvement in college activities.

ALUMNI ACHIEVEMENTS

DR. PRIYANAND AGALE GOT THE PATENT FOR WASTEWATER PURIFICATION

Dr. Priyanand Aglae, Civil Engineering Alumnus of 2004, and his research guide Dr. Parag Sadgir has been granted a patent for "Self-Purification based polluted water purification" by the Government of India with patent no. 365518. The method invented by these two professors doesn't require machinery, chemicals, electrical power for its operation.

DR. PRASHANT AWSARMAL AWARDED P.HD. IN CIVIL ENGINEERING

Dr. Prashant Awsarmal an Alumni of batch 2003 Civil Engineering was Awarded P.hd. in civil engineering under the guidance of Dr. R. M. Damgir (Asso. Prof. G.E.C. A'bad) by Dr. B.A.M. U. Aurangabad. His research topic was "Performance and optimization of steel fibre reinforcement Geopolymer concrete subjected to elevated temperature". Dr. Awsarmal worked on his research.

"THE BEST WAY TO PREDICT FUTURE IS TO CREATE IT"

PETER DRUCKER

ALUMNI ACHIEVEMENTS

MR. SAGAR KOTHE HAS BEEN HONORED WITH "TOP 40 UNDER 40 ACHIEVER"

Mr. Sagar Kothe, Associate Director at PwC India has been honored with the award "Top 40 under 40 Achiever -2020", as recognition from academia to future leaders of Industry by Asian Society for scientific research .

Congratulations

TO ALL THE ALUMNI
FOR THEIR
ACHIEVEMENTS

Mr. Vishal Mahajan

Principal Software Engineer at Apple
JNEC Alumnus - Computer Sci. Engg. - 2011

Mr. Dipesh Jaju

Managing Partner at Pawan International
JNEC Alumnus - Mechanical Engg. - 2010

Mr. Pratik Patil

CEO at LesoKart Industries Pvt. Ltd.
JNEC Alumnus - Production Engg. - 2012

Mr. Jayesh More

Sillicon Engineer at Google
JNEC Alumnus - E & TC Engg. - 2014

Sayali Sanjekar
BE-IT 2018 batch
